

POWDER UP YOUR PRODUCTS

Blue Shell Mussels
(*Mytilus Chilensis*)

Our powder is a recommended supplement rich in nutrients that power up any pet's diet.

BLUSSEL

THE BLUE MUSSEL POWDER

Sustainably sourced and scientifically validated for premium nutrition.

Blue Shell Mussel Powder (*Mytilus chilensis*) is derived from mussels sustainably harvested in the pristine waters of southern Chile and carefully dried at controlled temperatures. This high-quality powder has been rigorously analyzed at the Center for Molecular Nutrition and Chronic Diseases of the Pontificia Universidad Católica de Chile, ensuring its superior nutritional value.

Our Advantages

- **Reliable supply, no shortage concerns**
- **Efficient, sustainable resource use**
- **Human-grade, organic omega-3 & 6 source**
- **Widely used globally for human health**
- **Half the cost of green-lipped mussel**

Why blue shell mussel is the key to optimal wellness

Blue Shell Mussel Powder is rich in highly digestible proteins, essential vitamins, and minerals. It boasts a high concentration of polyunsaturated fats, particularly two key omega-3 fatty acids: EPA and DHA.

PROTEIN

High protein content for overall wellness

OMEGA 3

Strong support for anti-inflammatory

EPA

Superior EPA levels for joint health

FAT

Balanced fat for optimal energy

CARBS

Essential carbs for nutritional balance

More Power at 1/2 the Cost of Green-Lipped

Component /100g	Blue Shell	Green-Lipped
